Today's Gospel describes how Jesus called his first disciples and the immediacy with which these men dropped everything to follow him. We can only begin to imagine what Jesus' presence must have been like to invoke such a response in these first disciples. There are few things for which we would willingly drop everything. And yet this is the immediacy with which these first disciples responded to Jesus. These first disciples were willing to drop everything in order to make Jesus and the Kingdom of God the most important things in their lives.

How might our life change if we understood the Kingdom of God to be as important and immediate in our lives?
