**“Gaudete et Exsultate: The Call to Holiness in Today’s World”**  
**Signs of holiness in today’s world**

**In constant prayer**

Trust-filled prayer of any length is a response of a heart open to encountering God face to face, where the quiet voice of the Lord can be heard. In that silence, we can discern the paths of holiness to which the Lord is calling us. For each disciple, it is essential to spend time with the Master, to listen to his words, and to learn from him always.

God enters our history, and so our prayer is interwoven with memories. Think of your own history when you pray, and there you will find much mercy. Prayer of supplication is an expression of a heart that trusts in God and realizes that it can do nothing of itself. Prayer of petition often calms our hearts and helps us persevere in hope. Prayer of intercession is an act of trust in God and, at the same time, an expression of love for our neighbour. In the Eucharist, the written word attains its greatest efficacy, for there the living Word is truly present.
