Celebrating the Season of Creation Sept.1 to Oct. 4

Pope Francis has declared September 1st as the World Day of Prayer for the Care of Creation. In His message he said that this should be a time for us to examine our lifestyles and the way they impact the environment. As we enter the Season of Creation, we hope as a Parish that we will experience a renewed commitment to reverence the Divine in Creation, and to take responsibility for its care. Each week we will be called to give focus to an aspect of creation and our responsibility.

This week the focus is on food. Let us pray the Prayer Before Meals with greater mindfulness, giving thanks for the gift of food which comes from Creation and the work of many hands who grow it and bring it to us. Let us notice where our food is grown, and as much as possible buy locally grown healthy food.

Prayer for the Care of Creation
“Creator God, in your wisdom you established a delicate ecological balance to see that birds find nourishment and flowers are clothed in beauty. Please give us the courage to dedicate ourselves to taking care of your Creation. We thank you for providing us with all we need. Amen!”
