Season of Creation Week 3

“Humanity is called to recognize the need for changes of lifestyle, production and consumption.” Article 23 in **Laudato Si’**
 “Everything is interconnected, and that genuine care for our own lives and our relationship with nature is inseparable from friendship, justice and faithfulness to others.” Article 70 in **Laudato Si’**

This week the focus is on clothing. Do we need all the clothes we have? Could some be passed on to those in need? Do we notice where clothes are made, and think of the workers who make them and the circumstances of their work? Can we choose to wear clothes made from natural products which come from creation rather than synthetic products?

The Children's Liturgy of the Word Program at the 10 am Mass will start again on Sunday, September 30, for the 2018-2019 school year.

A reminder to parents about the format and purpose of the program:

The program provides the children **aged 3-11** with an experience of God's Word in the form of Bible stories for the younger group, and the Sunday gospel for the older group.

The younger group is for children **aged 3-6**. Parents can bring these children downstairs to their room before the Mass begins, or they can wait until the children are called to the front by Fr. Jinto. The program for the younger group continues until the end of Communion. After Communion, the children come back upstairs, either to the front of the church, or back to their parents.

The older group is for children **aged 7 to 11** (Grade 2 or higher). This group is sent to their program when Fr. Jinto calls the children to the front. The older children hear the Sunday Gospel and have activities and discussion to reflect on its meaning. They return upstairs just before the Eucharistic Prayer.

NEW VOLUNTEERS ARE NEEDED: We welcome any of the high-school aged youth of the parish to consider volunteering as a student helper with the younger group (this can be used to count towards your high school community service requirement).

We also welcome parents or other adults to volunteer to become teachers or helpers. In addition, we are encouraging parents of the children participating in the younger group to come downstairs and volunteer as a helper from time to time. Conducting an activity-based session with 15-20 young children, many of pre-school age, requires many helpers in order to run smoothly.
