Sharing a meal does more than just nourish our bodies. It helps to forge relationships and create intimacy. It's no wonder then that today's *Gospel*, like some of the other Easter stories, shows the Risen Lord and his friends sharing a meal. Christians down through the ages have come to recognize the risen Christ in their midst as the Scriptures are proclaimed and the Eucharistic meal is shared.

Our young people begin their special relationship with the risen Christ when they receive Jesus in the Eucharist for the very first time in these weeks. Let us continue to pray for them and ourselves and let's allow this Easter story to rekindle our longing for God who is present in the Eucharist.

Catholic Education Week May 5-10, 2019

“Living as Joyful Disciples”.

During Catholic Education Week (May 5-10, 2019) we give thanks for the gift of publicly funded Catholic Education in our province. Catholic schools foster supportive communities where young people can experience the joy of God's love and understand the Christian mission in the world. Together, our parishes, educators and families sow the seeds of faith with the next generation of Catholics, challenging them to live as joyful and faithful disciples.
