# SEASON OF CREATION

2020

September 13, 2020.

Each year, those planning the Season of Creation offer us a new Prayer. In 2020, the Prayer we are given follows. We ask you to make this Prayer your own and pray it as often as possible.

**Creator of Life,**  
At your word, the Earth brought forth plants yielding seed and trees of every kind bearing fruit. The rivers, mountains, minerals, seas and forests sustained life. The eyes of all looked to You to satisfy the needs of every living thing. And throughout time the Earth has sustained life. Through the planetary cycles of days and seasons, renewal and growth, You open your hand to give creatures our food in the proper time.

In Your Wisdom, You granted a Sabbath, a blessed time to rest in gratitude for all that You have given; a time to liberate ourselves from vicious consumption; a time to allow the land and all creatures to rest from the burden of production. But these days our living pushes the planet beyond its limits. Our demands for growth and our never-ending cycle of production and consumption are exhausting our world. The forests are leached, the topsoil erodes, the fields fail, the deserts advance, the seas acidify, the storms intensify. We have not allowed the land to observe her Sabbath, and the Earth is struggling to be renewed.

During this Season of Creation, we ask you to grant us courage to observe a Sabbath on our planet. Strengthen us with the faith to trust in Your Providence. Inspire us with the creativity to share what we have been given. Teach us to be satisfied with enough. And as we proclaim a Jubilee for the Earth, send Your Holy Spirit to renew the face of creation.

In the name of the One who came to proclaim good news to all creation, Jesus Christ.  
Amen.

Some questions to ponder:

1. As you say this Prayer, what words, images, phrases stand out for you?
2. How do you feel you are being called? challenged?
3. How are you ready to allow the Earth to have Sabbath, a rest to heal and renew?
4. Can you make some concrete commitments?

And please consider signing the following petition from a Canadian ecumenical effort called "For the Care of Creation".

## Series: Pope Francis' coronavirus catechesis

The pope's series, which began on Aug. 5, focuses on healing the world from the physical and social ills related to the coronavirus pandemic.

## Catechesis 3- Aug. 19

*"The virus, while it does not distinguish between people, has found, in its devastating path, great inequalities and discrimination. And it has exacerbated them!"*

Pope Francis urges a dual response to the virus, calling not only for the eradication of the illness but also the social injustices it reveals and exacerbates. He stresses the importance of the preferential option for the poor to this response. He suggests that the virus will not end with a return to "normality" but with a world either better or worse off than before. He takes particular care to say that any normality of routine that we return to should not include social injustices and the degradation of the environment. He strongly and notably calls for the vaccine for Covid-19 to be available to all those in need, not simply to the richest or to those in a particular nation or region, when it becomes available. To Be Continued.
