Christ is Risen!

Easter indeed is a time of hope and no matter where we are along the journey of faith, God, in the person of Jesus Christ is walking with us. It is a matter of noticing and making that truth the foundation of our lives. On Easter Day we still feel pain, our own pain and the pain of others. But a new element has been introduced. It does not remove the pain, but it gives it a meaning and lights it up with hope. All is different because Jesus is alive and speaks his words of peace to us. Therefore, there is a quiet joy and a deep sense of peace. Jesus has broken the power of death and gives us the hope of eternal life. Lord guard this hope with your grace and bring it to fulfillment in the kingdom of Heaven.

I wish you and your families a blessed Easter and extend a very special thanks to all who have helped to make our Easter a joyous celebration.
