The Pandemic's Impact on Christian Churches: What the data show thus far
Monday, June 27 – 7 to 8:30 p.m. This webinar will provide a summary of a Lily Foundation funded research project led by the Hartford Institute for Religion. Dr. Scott Thumma and project team members will report on the findings from three recent surveys and explain how various churches and their clergy are dealing with challenges of the pandemic in the life of their communities. Particular attention will be given to changes in attendance as well as evolving trends for pastoral ministry in the coming five years. Plan to join for an ecumenical perspective as we rebuild our parish communities and reach out for evangelization. To participation and for more details, register at <https://bit.ly/398fako>
