Two Sundays ago, we celebrated Pentecost and last Sunday we celebrated the feast of the Blessed Trinity. This weekend we celebrate the Solemnity of **Corpus Christi**, the great feast of the Body and Blood of Jesus Christ. We are celebrating our faith in the presence of the lord, in all of creation and in a special way in the Eucharist.

The Eucharist is "the source and summit of the Christian life. (CCC: 1324:)" In the Eucharist, we find the hidden face of God, made present for us at every Mass. Let us today give thanks to God for the gift of God's self to us in the Eucharist. It is also a wonderful opportunity for us to recommit ourselves to the very heart of our Catholic faith, the Real Presence of Jesus Christ in the Eucharist.

National Indigenous Peoples Day

His Grace Archbishop Francis Leo

will celebrate Mass at the Native Peoples' Mission in observance of **National Indigenous Peoples Day**.

The day honours and celebrates the culture and heritage of First Nations, Inuit and Métis people. Date:

Wednesday, June 21, 2023 Time: **7 p.m.** Place: **Native Peoples' Mission, St. Ann's Church, 120 First Avenue,**

You helped thousands of people on the path to healing

Through your kind support, you eased the struggles of 23,000 people by providing access to mental health care. You continue to bring hope and healing to families in need through counselling sessions from our Catholic family agencies.

Thus far we have raised **\$28,645.00** toward our goal of **\$37,200.00**. Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.

Thank you for your generosity!

Thanks from the Climate Action Group

The Climate Action special lunch and presentation by **Dr. Carrie Dohé** was a great success thanks to the generous collaboration of so many parishioners. We wish to express our deep thanks for the many volunteers who prepared pots of soup, provided bread, juice and milk, offered special napkins and table cloths, set up, washed up, made financial donations, offered great encouragement and extended themselves in many ways.

Special thanks to the young people who came to help set up with no advanced notice, and generously served in every way they could.

All of this loving service was a blessing for the Climate Action Group, but ultimately for the pollinators and all native plants which keep Creation alive and productive. Finally, we give great thanks for Dr. Carrie who came in from Guelph to be with us, and to share her expertise and passion for conservation of the Earth. She pointed out to us that it is our Christian calling to care for, and serve, the Earth which never ceases to serve us. Let us be faithful to that calling!
