It concluded on August 22nd. Nowadays, August 22nd is the Feast of the Queenship of Our Lady, which we will also celebrate at Holy Name that day with our daily Mass. May Our Lady and St. Lawrence watch over us this month, both our parish and our city.

Fr. Eric Rodrigues

Dear parishioners,

The month of August has some interesting and important feasts that can help us to maintain our spiritual lives while still enjoying the summertime. On August 10th we celebrate the Feast of St. Lawrence, one of the most influential saints of the early centuries. He lived in Rome, did great work for the poor, and was martyred for professing his steadfast faith in Jesus Christ. I find it very intriguing that one of the great landmarks of Toronto, St. Lawrence Market, seems to be named after the great saint. In fact, the Market Neighbourhood's annual feast – a celebration of food, performances, and activities – falls right around the Saint's feast day. This year it will take place on August 9th-10th. Perhaps many people will be totally unaware of the religious meaning of those days, but we can be assured that St. Lawrence will be watching and praying for us from his special place in heaven! Soon after that, on August 15th, we celebrate the great Feast of the Assumption of the Blessed Virgin Mary. This year, the Feast falls on a Thursday. Here at Holy Name Parish, we will have our daily Mass at 12:05pm, celebrated with some solemnity to honour Our Lady. There is also a longstanding tradition in the Church to extend great feasts for several days, sometimes as long as eight days. These are known as "octaves". In the old days, there was actually an Octave of the Assumption, in order to extend Our Lady's feast for several days.
