Dear parishioners,

During the summer, we will only have one parish bulletin each month, published the first weekend of July and the first weekend of August. Like so many other things, then, even the parish bulletin decides to take a bit of a break during summertime! This time of year can be a very pleasant and helpful one for so many of us, as the rest of the year can get quite busy. We need some time to refresh ourselves and to enjoy the many good things that life can provide. Hopefully, we will all have some time during the summer months to do those things—visiting family and friends, enjoying the outdoors, taking some holidays, or just enjoying the many things our city has to offer.

We should also remember that summer can also be a challenging time for some people. There are many types of work that need to continue during the summer; sometimes the work even gets heavier. We think of our heroic first responders who continue to serve us, often with more dangerous situations that can arise when the weather is warmer.

Sickness, loneliness, and other problems do not disappear with the arrival of summer, and so we must not forget those who are in need. I don't mean to be a downer here, but just to encourage everyone, as we enjoy what summer provides, to continue our acts of charity and kindness, keeping in touch with those who face some struggles.

Certain aspects of parish life do slow down in the summer. Our wonderful parish staff and volunteers will have an opportunity for some well-deserved rest after serving so faithfully during the year.

I will be around for most of the summer months. I will be away, though, for the last few days of July and the first weekend of August. I will be attending a conference in Philadelphia, and will also take some time then to visit friends and do some sightseeing in the area. As I had mentioned once, when I travel I always try and visit the local Catholic cathedral and any other shrines or churches of note. My hope this summer is to spend some time in the city of Baltimore. This was the first Catholic diocese in the United States, and so the Cathedral there is quite historic.

May this be a blessed and enjoyable summer for us all!

Fr. Eric

**THANK YOU

MONSIGNOR INGOLDSBY COUNCIL**

9079

For their donation of \$1,000.00 to the parish.

You're there for seniors in their time of need

Your support of ShareLife-funded agencies, like the Cardinal Ambrozic House of Providence, gives seniors, like John, a sense of belonging. As one of many valued residents who live with dementia, his cognitive impairment can leave him feeling vulnerable and confused. Your compassion makes it possible for him to be surrounded by both his family and caregivers in a comforting environment. John's son has fondly witnessed gestures that go above and beyond for his father, ensuring he's never left embarrassed. This a testament to the dignity and life-affirming respect you help provide.

Thus far we have raised **\$27,346.00** toward our goal of **\$51,500.00**. Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate.
